## Blue Walk

Starting from Heath Lane by St. John's Church head right along Station Road over the canal bridge **1** and down the steps onto the tow path. Turn left on to the Moor, through the kissing gate.

Walk through the avenue of horse chestnut trees towards the bridge **2**. Cross the bridge and continue to the kissing gate opposite the Station. Turn right along London Road and then cross Fishery Road (take care, this is a busy road).

Pass under the railway bridge and turn right through the kissing gate on to Herdsman's Moor **3**. Continue through these moors via kissing gates approximately 500 metres apart.

When you reach the fourth meadow, you will see Snooks Grave directly in front of you as you pass through the gate. avoid the roads, return through the moors or join the Green Walk **4**.)

Once through the gate, turn right and follow the pavement towards Bourne End, over the bypass (take care crossing the slip road) and walk towards the service station. Immediately after this, turn right into Winkwell.

You will soon reach the canal (with the Three Horseshoes pub on your left). Before the swing bridge, turn right on to the towpath.

Pass under the railway bridge and continue along the tow path **5** until you reach the bridge carrying Old Fishery Lane over the canal. Turn right on to the road, which you cross and enter the field ahead of you via a kissing gate. The railway embankment will be on your right.

**6** Cross a small ditch via an open bridge into a further field. Cross this diagonally to the left **7** towards the Fishery Road Bridge. Cross Fishery Road and enter Station Moor via the kissing gate ahead.

Walk through Station Moor to the river bridge then retrace your steps over the canal bridge back to the starting point.

*Please respect the moors, keep your dogs under control and dispose of your litter responsibly.*
