Dear Children,

We're really looking forward to your visit to us at the Box Moor Trust.

We're so lucky to have lots of outdoor places to explore: bumpy old farm tracks, muddy paths, deep dark woods and grassy meadows. We can't wait to share them with you!

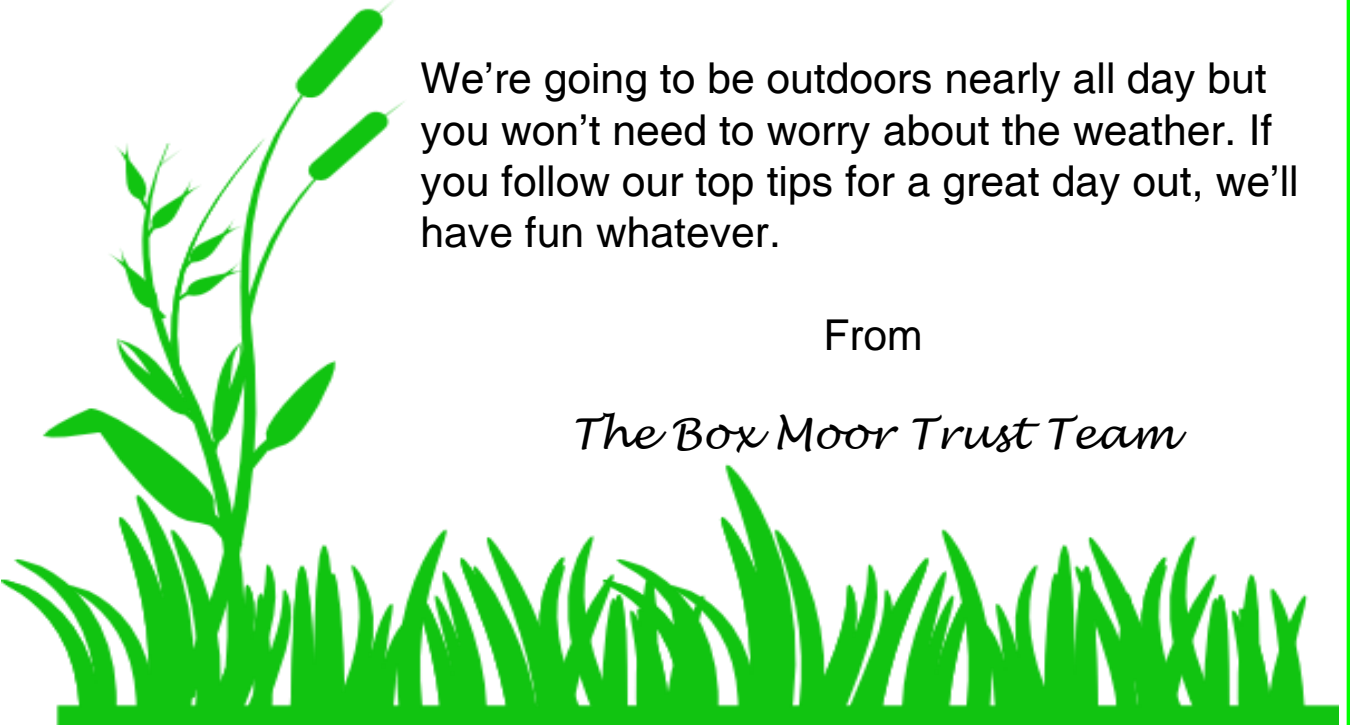

Sometimes a good day out can be ruined if you're unprepared. Being wet and cold can make you miserable. To make sure this doesn't happen to you, wear warm clothes, a waterproof coat and wellies or walking boots.

We're going to be outdoors nearly all day but you won't need to worry about the weather. If you follow our top tips for a great day out, we'll have fun whatever.

Top Tips for a Great Day Out

Don't let the weather ruin your fun!

Mud! We have lots of it!

Wear wellington boots!
Bring a spare pair of clean shoes to wear going home.

Rain! Bring a waterproof coat, just in case.

The weather can change quickly. Don't assume it won't rain, pack your mac!

Wind!

It can get a bit windy and exciting at the top of our hill.

Wind can make us feel cold so wear lots of layers of clothes to keep warm.

Cold!

Keep warm by layering up!

Vest, t-shirt, long-sleeved t-shirt, jumper, coat, hat, gloves, scarf, thick trousers, thick socks and wellies!
