

I-Spy - Winter

Tick the magnifying glass if you spot these signs of winter on your walk.

Bare branches

Winter plants

Although many plants are dormant in winter, others are celebrated because of their evergreen foliage or traditional use as decorations.

Ivy

Holly

Mistletoe

Box tree

How we help our wildlife

At the Box Moor Trust, we help our wildlife to survive the cold weather by providing food and places to shelter or hibernate. Different birds like different types of bird boxes.

Bird box

Bird box

Mini-beast pile

Bird feeder

Winter weather

Even familiar objects look different on a crisp winter's day! Look for patterns in the ice and footprints in the frozen ground or snow.

Ice

Footprints

If you have enjoyed this I-Spy, look out for more I-Spy challenges in spring, summer and autumn.

For children from age 4+ who are interested in wildlife and nature, Box Moor Rangers meet on the third Saturday of every month. Please call 01442 253300 or visit our website for further details: www.boxmoortrust.org.uk.
